**NORTHUMBERLAND**

Provided by

**COMMUNITY LIVING**  
West Northumberland 

Community Living-West Northumberland can assist people and their families to maximize any Passport Program funding they have available and help them to choose the supports and services they may need. We are qualified staff who provide a range of supports and services:

- daytime respite support
- skill development
- support to access social and recreational opportunities
- community connecting
- volunteering
- assistance with person directed planning
- involvement with sports related activities
- evening social events through Link-Up service
- job preparation and skills development

Community Living-West Northumberland can provide services in a group model or one-on-one basis while providing the best value for your available funding.

For more details and information about our Passport Program Support for individuals and families contact Ann Moring at (905) 372-4455 Ext.225.
